### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Antony Ng on July 27, 2006.

The application has been amended as follows:

Claims 2-8, 10, and 11 have been canceled.

Claim 1 has been replaced with:

--1. A fishing chair consisting of:

a front frame having an upper end and a lower end;

a back frame having an upper end and a lower end, wherein said back frame is pivotally connected to said front frame;

a chair located on proximity to said upper ends of said front and back frames;

a stabilization frame located in proximity to said lower ends of said front and back frames, wherein said stabilization frame is constructed to provide stability for said fishing chair by frictionally engaging said stabilization frame with granular materials when said fishing chair is placed on said granular materials;

wherein said stabilization frame includes steps having a "┌" cross-section;

wherein said fishing chair further includes a pair of stabilization bars pivotally connected to said front and back frames;

Art Unit: 3634

wherein said front and back frames include a plurality of steps; and

wherein the lengths of said back and front frames are different.—

The following is an examiner's statement of reasons for allowance: it is the inclusion of the fishing chair "consisting of" the structure as recited in claim 1. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hugh B. Thompson II whose telephone number is (571) 272-6837. The examiner can normally be reached on Monday thru Friday 9 am to 5:30pm.
